Thank you Dave for putting this on the calendar and for hosting us these two days. I know you have the calendar blocked for two full days, but I think we should plan for two half days (the afternoon of the 16th and the morning of the 17th) so that we can accommodate travel for folks to Richmond. Again thank you!

Also, I wanted to forward some discussion topics we had in mind here for an agenda. This list is not inclusive and just a starting point to get folks thinking and items that we at EPA thought would be good to discuss as a group. Please forward me items from your agency's perspective that you would like to be sure we spend some time on during our time together by December 4th. I will add to the list and I will develop an agenda prior to the meeting.

Thank you for your time on this and we look forward to meeting with you all in December.
